

Name _____ Started _____ Finished _____

The everyday set for eight is thirty-two pieces: eight each of dinner plates, salad plates, bowls and mugs.

Make a spare of each, then add what your table uses. Make each kind on one day from one bag, so they shrink alike.

DECIDE THESE ONCE, FOR THE WHOLE SET

Clay body _____ Inside glaze _____ Outside glaze _____

Look up every glaze before it goes where food or a lip touches. Sizes are finished sizes from our clay weight chart.

Slab mold numbers are from the Mold Room, October 2026. Your Level decides which ones you can use.
